Conditions

We accept performing and visual arts, research, installation, sculpture and other artistic disciplines.

The selected artists should join the "Ungría's friends club", to be "ungarians". To be ungarian, each artist should contribute with 40 euros. The residence gives benefits to ungarians: you'll have discounts in workshops and activities during the year, you'll receive artworks from artists in residency, and you will participate on the Ungría's lottery (the prize is a free weekend for two people on the house for the next year).

The residency stay is for free, except the food. The organization will provide food at first, but then the residents should buy together the rest they need.

The organization can pick up the residents from Guadalajara to Fuentes, if its necessary.

During your stay the residence can offer you visits to places of interest, meetings with other artists and with the people on the village and other activities.

To stay in Ungría you have to respect the environment and the people who live in it.

Application for palestinian artists

We´ll reserve a place for a Palestinian artist, regardless of where he/she actually resides.

The artist will have an individual room and the shared spaces explained before.

The residency period in this case is from 7th june to 12th july.

The organization will pay 50% of the travel costs.

Ungría stands with peace and against genocide. We offer visibility and commitment with the freedom of Palestine, and at the same time we would like to offer the selected artist the opportunity to stay calm to rest and create.

Application deadline: 2nd may until 00:00 hours.
